CONVENTIONS HELD SATURDAY.

Details of the Situation in All the Counties.

The result of the primaries and conventions held up to Saturday night in this congressional district leaves the fight for the Republican nomination at Albany April 7 between Ford and Hermann.

Following telegrams are condensed from the Oregonian and can be taken for what they are worth.

YAMHILL COUNTY.

McMINNVILLE, March 28.—The Republican county convention elected the following named delegates to the district convention:

William Chrisman, C. A. Butt, J. P. Irvine, J. W. Hobbs, O. H. Irvine, A. Detmering, M. O. Lowndale, D. P. Trullinger and George W. Bibee. They are supposed to be for Tongue.

The Republican convention rejected the Guild delegation from North Sheridan precinct, by a vote of 67 to 59, whereupon several delegates went out with the Guild delegation.

JOSEPHINE.

GRANTS PASS, March 28.—The Republican county convention was held in this city.

The delegates to the state convention are:

W. T. Coburn, C. O. Bigelow, R. A. Booth, Charles Decker.

The delegation will favor H. B. Miller for congress.

[It does not appear from the above who are the district delegates.]—Ed. JOURNAL.

JACKSON COUNTY.

ASHLAND, March 28.—The Republican primaries here today were the most warmly contested ever held in Ashland. Two tickets were in the field. For delegates to the county convention one ticket was headed "Mitchell and Hermann Delegates," and the other simply "Republican Delegates." Of the eighteen delegates chosen for the three Ashland precincts, only two straight Mitchell and Hermann ticket men were elected and the rest are uninstructed. Two of the three precincts received, without objections, motions declaring the sense of the primaries to be favorable to Mitchell and Hermann, but West Ashland precinct voted down by a large majority, a resolution to instruct the delegates for them. The delegation elected is considered conservative as a body, with a preponderance of sound-money men.

MEDFORD, March 28.—Republican primaries were held in North and South Medford precincts today.

The election is considered a great victory for the Hon. W. I. Vawter, whose name has been mentioned quite favorably as a possible successor of Hon. Binger Hermann, and from reports from outside precincts, which have also chosen delegates who will support Mr. Vawter, the outlook is very encouraging. The victory is considered greater on account of this being one of Hermann's strong counties in past elections. There is no doubt that Mr. Vawter will have the entire Jackson county delegation in the state convention.

LANE COUNTY.

EUGENE, March 28.—The Republican primaries in all of the precincts in Lane county were held, and more interest was manifested than ever before in any primary election in this county. The contest did not pivot on the question of the general policy of the party, but all were worked for or against individual candidates. Every man seemed to be worked for certain delegates, but now that the delegates are elected, nobody seems to be able to tell what ticket they will nominate.

Eugene Guard: Republican primaries are largely attended, and from two to four tickets are out in each precinct. The main offices contended over are senator, sheriff, county clerk and judge; then, gold and silver is playing an important hand. It is stated that the A. P. A's are taking a live interest in the fight. Each faction have voted a few Democratic friends.

LINN COUNTY.

Albany Herald, Sunday: The Republican primaries were held yesterday throughout Linn county. The

whole number of delegates elected in the county was 215. The delegates appear to be widely scattered on the congressional nomination and will not be solid for any candidate.

DOUGLAS COUNTY.

ROSEBURG, March 28.—The anti-Hermann ticket for delegates to the county convention carried the four Roseburg precincts by overwhelming majorities. In a total vote of 330 Hermann's candidates received less than 100. The anti-forces are headed by Simon Caro. Roseburg casts twenty-one votes out of the ninety-nine in the whole convention. Douglas county will send an anti-Hermann delegation from present indications.

CONGRESSIONAL DELEGATES.

Marion county—H. B. Condit, F. W. Hollis, A. F. Blackerby, J. H. Roland, Geo. Ehlen, Wm. Fry, J. H. McNary, Louis Stinson, R. J. Hendricks, C. Wilson, Prince Byrne, J. Voorhes, J. C. Johnson, A. J. Richardson, Jap Minto, E. E. McKinney, Wm. Bushy, C. D. Hartman, Wm. Walde delegate at large.

Lincoln county—C. R. Crono, R. A. Bensal, E. J. Davis.

Clackamas county—J. W. Meldrum, G. W. Prosser, T. F. Ryan, J. M. Tracy, Geo. F. Horton, S. M. Ramsby, T. B. Thomas, J. L. Kruse, H. S. C. Phelps, J. S. Vaughn, E. M. Hartman, J. R. Morton.

COOS COUNTY.

MARSHFIELD, March 29.—The Republican county convention was held March 27.

The following delegates were elected to attend the state convention: D. L. Watson, R. S. Littlefield, W. Sinclair and C. W. Olive.

The following resolutions were read and adopted:

Resolved, That the delegates to the Republican convention reaffirm our adherence to the platform of 1892, and of the state convention of 1894.

At the close of the convention a resolution was carried amid great enthusiasm requiring the delegates to the congressional convention to sign a written promise and leave the same with the clerk of the convention, agreeing to vote for Hon. B. Hermann for congressman as long as his name was before the convention.

The convention adjourned with the best of feeling, and it was noted that there was not the least dissatisfaction, and none seemed to be disappointed.

LATEST FROM LANE.

EUGENE, March 30.—[Special to The Journal.] The bimetalists beat the single standard men in the city by getting 30 out of 50 delegates to the county convention. In the county the delegations are solid for that kind of legislative ticket and congressional delegation. Baker or Driver will be named for senator.

LATER FROM YAMHILL.

McMINNVILLE, March 30.—[Special to THE JOURNAL.]—The delegation to the congressional convention from this county is not pledged, but is against Hermann, and supposed to be for Tongue. However, if Mr. Hermann gets a strong vote on the first ballot many of these votes will come to him. If the Guild delegates had been seated the congressional delegates would have been for Hermann solid.

The committee on credentials left the seating of the Guild delegates to a vote of the convention, not including themselves, hence they were voted out and reversed the results.

PRESS OPINION.

The Marion county delegates to the district convention at Albany are solid for Tilton Ford for congress.—Silverton Appeal.

The indications at the present time seem to warrant the prediction that John H. Mitchell and Binger Hermann will be their own successors. The people of Oregon could easily go farther and fare worse.—Brownsville Times.

The indications now are that the Democrats of the first district will have to defeat Mr. Hermann for congress. The republican papers have all ready proven that he should be defeated, and since he appears to have the inside track in the race for nomination, it will devolve upon some good Democrat to show him under.—The Dallas Times-Mountaineer.

With T. H. Tongue of Hillsboro, W. L. Vawter of Medford, C. B. Matson of Ashland, C. A. Schloeder of Roseburg, A. C. Woodcock of Eugene, Warren Truitt of Dallas, T. T. Geer of

Children Cry for
Pitcher's Castoria.

Macleay, and Tilton Ford of Salem as candidates for congress, it would seem that Mr. Hermann will have to seek for the nomination at Albany instead of it having to tumble over everybody to reach him. Especially is this so, when any of the above named gentlemen, in point of intellectual ability, are bisexual.—Albany Democrat.

Great New York Fire.

NEW YORK, 30.—Four people were killed, and two injured in a fire in the tenement at 174 Hudson street today. The following is a list of the dead.

Thomas Malloy, 23 years old, fireman on the steamship St. Louis, suffocated.

Archibald Grogan, 35 years old a waiter, suffocated.
Mary McMahon, single, 22 years old, suffocated.

Margaret Ryan, 60 years old, single; died on the way to the hospital, from injuries received by jumping from a window.

The injured are:
Kate Higgins, 35 years old, leg fractured by falling; Edward Walsh, 29 years old, internally hurt by falling from a ladder.

The burned building is one of a row of three-story structures, owned by the Trinity church operation. The ground floor was occupied by John H. Eggers, a dealer in confectioners' supplies, and the two upper floors by families as dwellings. The second floor, immediately over the confectioners', was occupied mostly by the family of Thomas McManus. The McManus family consists of Mr. and Mrs. McManus, two sons and two daughters. Twelve other rooms on that floor were used by the family of McManus, while the rear rooms were occupied by a Mr. and Mrs. McMahon and the young man Malloy, the steamship fireman, who was boarding with them. On the third floor were a number of families.

It was in the apartments of the McManus family that the fire originated, so far as the police and the firemen are able to determine. Nicholas McManus, one of the sons, who slept in a back room of the suite, was awakened by the smell of smoke. He turned in an alarm, and awakened the tenants.

It was apparent that the lives of many were in danger, for the smoke had permeated every part of the house, and the flames were burning briskly. All of the McManuses were able to make their way down the stairs to the street, before exit in that direction was cut off by the flames. Nicholas McManus succeeded in helping several of the people by carrying them down the stairs through the blinding smoke into the hallway.

Supreme Court Decision.

WASHINGTON, March 30.—An opinion was given by the supreme court today in a long and short haul case, involving the validity of the provision of the interstate commerce act prohibiting a higher charge for a short than for a long haul, appealed from a decision of the circuit court of appeals of the fifth circuit. The appeal was taken by the railroads. The decision of the court below was affirmed in the main, the opinion holding that in cases of shipments from one state to another or through billing railway companies could not exempt parties and give them special rates. Justice Brown delivered the opinion in the case of Thomas Pearson vs. Great Northern Railway company, holding that the Great Northern could not, under its charter and in opposition to the act of the Minnesota legislature of 1874, be consolidated with the Northern Pacific, as was sought to be accomplished. Field and Brewer dissented.

Shot By His Wife.

SAN FRANCISCO, March 30.—As John Martin, driver of a patrol wagon, was sitting in a wagon in front of police headquarters at the city hall, today, his wife came up behind him and shot him three times with a pistol. One bullet passed through Martin's body and he will probably die. Mrs. Martin gave as a reason for the shooting that Martin had not been home for several nights and last night was drinking hard. She added she was tired of his neglect and determined to punish him. She shows no regret for the shooting.

Shot by a Landlord.

SEATTLE, March 30.—C. D. Daniels, who runs the Hyde Park house, in South Seattle, was arrested this morning for shooting Pat Dougherty, a machinist, in the back. Daniels also beat Policeman Frank Krebs nearly to death. The tragedy culminated as the result of a row at Daniels' saloon. The latter is a well-known character here, and Hyde Park house is a notorious resort.

Fletcher, which plaintiffs alleged was fraudulently done.
